# La Fiesta Sound System

## *Meet some of our amazing artists...*

Over the past decade and with over 1000 performances, La Fiesta Sound System has been fine-tuning their stage performance to the point where they are able to create a magic vibe for any crowd and any situation. They have the knack to get everybody on the dance floor having the best times of their lives!

Read their glowing testimonials and you will see that clients were not only happy, but thrilled beyond expectation. They always strive for perfection musically and have great charisma and energy on stage. They love every minute of a performance, this positive feeling is soaked up by the crowd and is contagious.

The secret to the success of La Fiesta is that unlike a normal cover's band, La Fiesta has a DJ driving the vibe and backing tracks. This allows La Fiesta to span many different styles such as chill out, disco, funk, retro, soul, pop, house and commercial top 40 dance. Where as most bands are stuck with a certain style, sound and play

list, La Fiesta has the flexibility to change immediately during a performance where required.

Another strength of La Fiesta is that they are able to customise each line-up to the clients preference. Musical elements in La Fiesta can include afro percussion, female singer, male singer, sax, drum kit, trumpet and guitar. Our musicians are the top performers in town, playing every weekend in the top bars and clubs such as Bar 100, Argyle, Goldfish, Ivy, Opera Bar, Bungalow 8, Hugos ... This allows our band to always be at the cutting edge of what is hot now. Every musician we work with has over ten years or experience in weddings and all know what works on the dance floor from classics

through to the latest radio hit.

When you book La Fiesta you are getting one of the most respected, most trusted all rounder party bands in Sydney. We travel all over Australia for private events and functions and have rocking crowds down to a fine art.

**La Fiesta can perform as a three to six piece band.**

# QCE Guide Wedding Song List 2012

The following list of songs is a guide for us to see what you, the client, like. By inserting an 'x' in the right column, we can then feed this back to your booked entertainment.

Please note that this guide is for our general information only. Your entertainment will always use their best judgement to get the dance floor pumping! The separate 'QCE Wedding Song Playlist Form' is where you can nominate specific songs for your special event.

Thank you for helping us to get things right for you!
